

**St. Mary's Curriculum Overview**

<p><b><u>Literacy:</u></b>          During this half term we will be looking at how to write a perfect set of instructions. We will then be looking at journey stories in particular Where the wild things are. We will enjoy writing our own stories where a character will go on a journey.</p>	<p><b><u>Science:</u></b>          Following the many discoveries we uncovered in the unit of the use of everyday materials last half term, we will be looking at the properties of materials in relation to building materials. This half term we will be looking at how building materials have changed over the years.</p>	<p><b><u>Maths:</u></b>          Following an exciting week of calculations of numbers to 20 we will then explore multiplication and then compare 2D and 3D shapes. We will practice counting ten more and ten less from any given number and addition and subtraction facts in different contexts.</p>	
<p><b><u>Arts- Music/Art/DT</u></b>          In DT we will be making houses in pairs. In music we will be experimenting with timbre as well as responding to music from different composers. In art we will be looking at the art work of local artists as well as drawing pictures of the school over time.</p>	<p><b><u>Street Detectives</u></b></p>  <p><b>Year group: 2</b>                      <b>Term: Autumn 2</b></p>	<p><b><u>Humanities &amp; ICT</u></b>          Throughout this topic we will be looking at making maps of the local area. We will also be learning about the history of our school and how it has changed overtime. In ICT we will be further developing our key board skills, use of Word and how to instruct a beebot.</p>	
<p><b>St Mary's Values:</b>          Compassion –We will explore how Mary and Joseph were compassionate when they discovered that Mary was going to give birth to Jesus.          Forgiveness –during our circle time lessons we will explore how we can show forgiveness to others and ourselves.          Wisdom – While exploring the properties of different materials used for different purposes, we will look at the wisdom of great inventors from the past.          Hope &amp; Endurance - Through our RE Incarnation unit, we will be considering the great hope Jesus and God provided and the endurance that was demonstrated by the travelling worshippers.</p>		<p><b><u>Homework:</u></b>          Reading every day          Spellings handed out every Wednesday and tested the following Wednesday as well as a maths challenge.  <b><u>Trips</u></b>  <b>We will be conducting a local tour of Bridport on Tuesday 1st November 2022 in the morning</b></p> <p><b><u>Additional information:</u></b> Please remember to donate to support children in need on Friday 18<sup>th</sup> November</p>	<p><b><u>PE</u></b>          We will build on our Sending and receiving (throwing and catching, rolling, kicking, tracking and stopping a ball) as well as yoga.</p> <p><b><u>Kit-</u></b> Shorts, t-shirt. Indoor and outdoor kit.  <b><u>Days-</u></b> Tuesday and Friday</p>
