Spelling

Please spend at least 10 minutes reading with your child each day.

Use our reading guidance to help with questions to ask your child.

Ask questions based on what they have read to check they understand. Eg:

Summarise the text so far.

Recall key events.

Who was the main character?

How did he feel?

What do you predict will happen next?

Justify your opinions with evidence from the text.

Discuss any new vocabulary with your child and encourage them to share new words with their class.

Log on to TTRS and practise the times tables set for you at least 3 times a week for 10 minutes.

Individual times tables have been set. Log in and go to 'Garage' to practise these.

Logins have been handed out individually with the homework sheet.

This week we are looking at the suffixes 'ful' and 'ness'. In lessons we will look at strategies for learning these to practice at home. Children in Mrs. Ireland's spelling groups have been given spelling words to take home for this term. Please practice spellings at least once on seesaw. Logins have been handed out individually with the homework sheet.
