This event poses additional risks to those encountered on a normal day. We have assessed those risks and believe that the planning undertaken, and systems agreed to control and manage the risks have reduced the chance of harm to an acceptable level.

To help with safety, all participants are expected to behave in a responsible manner at all times during the event. They must take direction from any leader and follow instructions or guidance given. Details of planning and risk assessment are available on request.

I give permission for my child to undertake walks around the village and on visits to the local church in connection with their school work.
